Summary of CV

Education

Doctoral degree

University: Leiden University

Date: 10/09/2015

Dissertation: Engaging scientists – Organising valorisation in the Netherlands

Supervisor: prof. dr. P.F. Wouters

Co-Supervisor: dr. I.C.M. van der Weijden

Master's degree

University: Utrecht University

Date: 21/10/2008

Main subject: Innovation Studies (specialization in medical biotechnology)

Thesis: The changing relevance of biology: Case studies of Dutch academic toxicology and paleo-ecology 1975-2008

Supervisors: dr. L.K. Hessels and prof. dr. H. van Lente

Bachelor's degree

University: Wageningen University

Date: 30/06/2005

Main subject: Biology (specialization in cell biology)

Thesis: Perfluorocarbons as artificial oxygen-carriers

Supervisor: dr. ir. H.J.M. van de Heijning
