Education

Doctoral degree

University: Leiden University
Date: 10/09/2015
Dissertation: Engaging scientists – Organising valorisation in the Netherlands
Supervisor: Prof. dr. P.F. Wouters
Co-Supervisor: Dr. I.C.M. van der Weijden

Master's degree

University: Utrecht University
Date: 21/10/2008
Main subject: Innovation Studies (specialization in medical biotechnology)
Thesis: The changing relevance of biology: Case studies of Dutch academic toxicology and paleo-ecology, 1975-2008
Supervisors: Prof. dr. H. van Lente and dr. L.K. Hessels

Bachelor's degree

University: Wageningen University
Date: 30/06/2005
Main subject: Biology (specialization in cell biology)
Thesis: Perfluorocarbons as artificial oxygen-carriers
Supervisor: Dr. ir. H.J.M. van de Heijning

Professional experience

2020 - 2022 Visiting Marie Curie Fellow
Knowledge Lab
Department of Sociology
University of Chicago

2020 - Current Assistant professor
Department of Organization Studies
