## Education

### Doctoral degree

University: Leiden University  
Date: 10/09/2015  
Dissertation: Engaging scientists – Organising valorisation in the Netherlands  
Supervisor: Prof. dr. P.F. Wouters  
Co-Supervisor: Dr. I.C.M. van der Weijden

### Master's degree

University: Utrecht University  
Date: 21/10/2008  
Main subject: Innovation Studies (specialization in medical biotechnology)  
Thesis: The changing relevance of biology: Case studies of Dutch academic toxicology and paleo-ecology, 1975-2008  
Supervisors: Prof. dr. H. van Lente and dr. L.K. Hessels

### Bachelor's degree

University: Wageningen University  
Date: 30/06/2005  
Main subject: Biology (specialization in cell biology)  
Thesis: Perfluorocarbons as artificial oxygen-carriers  
Supervisor: Dr. ir. H.J.M. van de Heijning

## Professional experience

2022 - Current      Assistant professor  
Department of Public Administration and Sociology  
**Erasmus University Rotterdam**

2016 - Current      Freelancer  
**Engaging Scientists**

2020 - 2022        Assistant professor  
Department of Organization Studies  
**Tilburg University**

2019 - 2020        Impact adviser  
Luris  
**Leiden University and Leiden University Medical Center**

2017 - 2019        Post-doctoral researcher  
Centre for Science and Technology Studies  
**Leiden University**

2016 - 2017        Research Fellow  
Centre for Science and Technology Studies  
**Leiden University**

2016 - 2017        Grant adviser Social Sciences and Humanities  
Luris  
**Leiden University and Leiden University Medical Center**

2015 - 2016	Knowledge broker Social Sciences and Humanities Luris <b>Leiden University and Leiden University Medical Center</b>
2009 - 2015	Researcher Science System Assessment Rathenau Instituut <b>The Netherlands Royal Academy of Arts and Sciences</b>

### Grants, Scholarships & Awards (10 / €523,727)
